## Business games

Players collaborate to make decisions, using strategic and tactical thinking, as well as their knowledge and experience. The result is the most optimal solution for the company, achieved through information sharing and collective decision-making. After the game, a debriefing is held, during which participants discuss their actions and decisions, and examine the reasons for the game's success or failure.

Business games are offered only in a corporate format. They can be combined with training.

Please contact the EY Business Academy coordinators for pricing information.

Name of the business game	Duration
Team	30 minutes
Team draftsman	30 minutes
Tantam	40 minutes
Zoom	45 minutes
Signs	45 minutes
Color Blind	60 minutes
